RE: 1941 CROP GARDEN SEEDS

Gentlemen:

NOTICE NON-WARRANTY: WE GIVE NO WARRANTY EXPRESS OR IMPLIED AS TO PURITY, DESCRIPTION, QUALITY, PRODUCTIVENESS OR ANY OTHER MATTER OF ANY SEEDS, BULBS OR PLANTS WE SEND OUT, AND WE WILL NOT BE IN ANY WAY RESPONSIBLE FOR THE CROP. QUOTATIONS SUBJECT TO MARKET FLUCTUATIONS AND UNSOLD

If you have not already placed your order for garden seeds to be delivered from the 1941 crop, we feel that for your own protection it is urgent that you do so immediately.

Values are constantly advancing and already it is becoming evident that there will be more shortages than was predicted earlier. Biennial crops such as beets, carrots, parsnip, etc. are very good property and we would suggest that if you have any stocks on hand now that you do not sell them at low prices but store them carefully so they will not be damaged or lose germination over the summer months.

Farm prices are strengthening and all costs of production of garden seeds have increased and it is reasonable to assume there may be general advances when the planting season for seed crops has passed.

The enclosed "Request For Quotations" blank is for your convenience in sending us your list of quantities for contract prices. We suggest you do this without delay.

Very truly yours,

CORNELI SEED COMPANY
